SUSPENSION

Suspension is the temporary removal of a student from all school building(s)/property and from participation and/or attendance in or at school activities or district-sponsored events and or activities, including athletics and access to school transportation, for not more than ten school days.

A student, parent, or other person in parental relationship shall have two school days from the school administration’s decision to suspend, in which to appeal the decision to the Superintendent or designee.

The Superintendent or designee will review the written record and/or may conduct an informal hearing, and render a written decision within three (3) school days from the notice of the appeal. A student, parent, or other person in parental relationship shall have the right to appeal the Superintendent or designee’s decision to the Board within two (2) school days from the receipt of said decision.

EXPULSION

Any student who violates district policies and procedures may be subject to expulsion. Expulsion is the removal by the School Board or its designee of a student from school building(s)/property, school transportation, and from participation in school activities for not more than one calendar year.

If students with disabilities and/or students who have current special education evaluations pending have committed an offense for which expulsion is a suggested disciplinary consequence, prior to this change of placement, a determination will be made as to whether the student’s misconduct is caused by the student’s disability or an inappropriate placement.

A student who has been recommended for expulsion will receive a hearing before a hearing officer; the hearing will be conducted pursuant to ORS 332.061 and in accordance with district policy and procedures as may be directed by the Superintendent.

A student may be represented by legal counsel or other person at the student’s expense. The student shall be permitted to introduce evidence by testimony, writings, or other exhibits. The case shall be determined solely on the evidence presented at the hearing. The hearing officer shall render a decision in writing within 24 hours of the hearing.

Within five school days of the receipt of the hearing officer’s initial decision, or seven calendar days if the expulsion decision occurs after school ends in June, the parent, other person in parental relationship, or the student if 18 years of age or over may request a Board review of the decision on a Notice of Appeal form developed by the Superintendent’s Office. The appeal shall be filed with the Office of the Superintendent.

DIVERSION

Upon recommendation of the school administrator, a student who has violated district weapons or drug/alcohol policy or rule may be given the option to participate in the District’s Diversion Programs.

STUDENTS’ RIGHTS AND RESPONSIBILITIES

ASSEMBLY OF STUDENTS

Salem-Keizer School District recognizes the constitutional right of students to assemble. However, it should be noted that many schools

are crowded, limiting the availability of space. Student assembly should be related to the school program, should not disrupt classes, and should not cause a hazard to persons or property. Requests for student assembly shall be made in advance to the principal, and students will be notified of the decision within a reasonable time.

BICYCLES, SKATEBOARDS & SCOOTERS

Any student may ride a bicycle to school. However, students riding bicycles to school must know and practice the safety rules and demonstrate good riding habits. The following guidelines are in addition to the regular rules for safe bicycling:

1. Oregon bicycle helmet law ORS 814.485 requires any child up to 15 years of age to wear an approved bicycle helmet when riding in any place open to the general public - streets, roads, sidewalks, and parks.
2. Bicycles are not to be ridden on the school grounds during school hours or during the hours of after-school activities.
3. Riding double on a bicycle is not permitted.
4. Penalties for unsafe bicycle conduct or failure to follow the rules may be made by the principal, school staff, or parents.
5. Students are advised to securely lock bicycles to the racks. While every effort is made to provide a secure place for bicycles during the school day, students should realize that they bring their bicycles at their own risk.

Any student may ride a skateboard or scooter to school. However, students riding skateboards or scooters to school must know and practice the safety rules and demonstrate good riding habits. The following guidelines are in addition to the regular rules:

1. Oregon skateboard and scooter rider helmet law ORS 814.600 requires riders to wear protective head gear.
2. Skateboards and scooters are not to be ridden on the school grounds at any time. Upon arriving on district property, the rider must carry the board and walk.
3. Skateboards and scooters are not to be ridden around school buses.
4. Penalties for unsafe rider conduct or failure to follow the rules may be made by the principal or school staff.

CLOSED CAMPUS

Salem-Keizer School District restricts students to the school grounds during the school day with certain exceptions. All students shall remain on the school grounds from the time they arrive in the morning until their regular dismissal time at the end of the school day. This attendance requirement includes the noon hour period with the following exceptions: to go to and from their home for lunch as requested by parents; to run an errand or keep an appointment as requested by parents; and to carry on a planned program of the school, such as work study. Students seeking to leave the campus during the school day must obtain permission from the school administration.

An open campus (INS-P024) or unrestricted lunch period for students attending Salem-Keizer high schools is a privilege that is annually determined based on application by the student body of the school and action of the high school level director.

COMPLAINT PROCESS (ADM-A005)

Salem-Keizer School District is committed to resolving complaints in a timely manner, by direct, informal discussions, beginning with the school or department involved. Communication is essential during this process so that the involved parties may better understand the reasons behind each other's position. Whenever possible, complaints should be submitted and addressed at the school or department, and through the recognized channels of communication as outlined in the District's Complaint Procedure (ADM-P008). The complaint procedure is available on the district's website. Salem-Keizer School District policy forbids reprisal or retaliation against any person acting in good faith in a complaint process.

CONDUCT ON SCHOOL BUSES

Students who use district transportation do so in accordance with District Procedure TRN-P036. Continued use of district transportation is contingent upon student observance of District Discipline Policy and Procedures.

CUSTODIAL AND NON-CUSTODIAL PARENT RIGHTS

The district will give full rights under procedure INS-P022, Student Records, to either parent, or other persons in a parental relationship, unless the district has been provided with written evidence that there is a court order, state statute, or legally binding document relating to such matters as divorce, separation, or custody that specifically revokes these rights. Non-custodial parents should furnish the school with their address to which school materials should be sent.

ORS 107.154(1) and (4) provides that unless otherwise ordered by the court, an order of sole custody to one parent shall not deprive the other parent of the following authority:

- To inspect and receive school records and to consult with school staff concerning the child's welfare and education, to the same extent as the custodial parent may inspect and receive such records and consult with such staff.
- To authorize emergency medical, dental, psychological, psychiatric or other health care for the child if the custodial parent is, for practical purposes, unavailable.

A student will not be released to a person claiming legal custody of a student unless that person is listed on student records by the custodial parent or can provide personal identification and a legal custody order issued by the State of Oregon.

DRESS CODE POLICY (INS-A025)

Salem-Keizer Public Schools expects that all students will dress in a way that is appropriate for the school day or for any school-sponsored event. Student dress choices should respect the intent to sustain a community that is inclusive of a diverse range of identities. The primary responsibility for a student's attire resides with the student and their parent(s) or guardian(s).

The school district is responsible for seeing that student attire does not interfere with the health or safety of any student, that student attire does not contribute to a hostile or intimidating atmosphere for any student, and that dress code enforcement does not reinforce or increase marginalization or oppression of any group based on race, sex, gender identity, gender expression, sexual orientation, ethnicity, religion, cultural observance, household income, or body type/size.

Any restrictions to the way a student dresses must be necessary to support the overall educational goals of the school and must be explained within this dress code. For more detailed information, please refer to Administrative Policy INS-A025 on our district website.

ELECTRONIC DEVICES

Electronic devices can be disruptive and distracting to the learning and school environment. These devices include, but are not limited to: cellular phones, pagers/beepers, watches, audio equipment, or electronic games and devices that serve no reasonable educational value or foreseeable use to the educational process. Students who carry or wear these devices may be asked to surrender them to the office where they will be held. Parents will be notified to pick up the item. Cellular phones may be carried in the backpack with parental permission as long as they are not disruptive in the school environment.

ELECTRONIC RESOURCES AND THE INTERNET (INS-A004)

A student under age 18 may use electronic resources, including the Internet, in Salem-Keizer schools unless their parent or other person in parental relationship denies the student access through completion of an exclusion form (INS-F048). The district may suspend or revoke access of a user to electronic resources and/or the Internet and may report the violation to law enforcement authorities if the user violates District Policy.

EQUAL EDUCATIONAL OPPORTUNITY FOR ALL STUDENTS (ADM-A009)

It is the policy of Salem-Keizer School District that no student enrolled in the district shall, on the basis of age, disability, national origin, race, color, religion, gender, sexual orientation, marital status or financial ability be excluded from participation in, be denied the benefits of, or be subjected to discrimination in any educational program or activity administered or authorized by the School Board. Salem-Keizer School District staff shall make a continuous effort to provide an equal educational opportunity for students and to eliminate those conditions which may cause discrimination.

EVERY STUDENT SUCCEEDS ACT (ESSA)

In December 2015, the United States Congress passed the Every Student Succeeds Act (ESSA), a legislation package that updated a number of important notification opportunities and requirements for parents and guardians of students enrolled in a school that receives federal funds under Title I, Part A of the act. If you are a parent or guardian of a student enrolled in a school receiving Title I funds, you have the right to request information regarding the professional qualifications of your student's teacher(s) and/or paraprofessional(s).

If you wish to do so, please submit a written request for this information to your school's principal. Submitted requests will receive a written response within ten (10) school days from the date of receipt. Information provided under this process is intended to strengthen the open and transparent communication established between our schools and the students, parents, and communities they serve.

FOOD SERVICE MEAL PROGRAM

Salem-Keizer School District participates in the National School Lunch and Breakfast programs. Both programs are regulated by the United States Department of Agriculture (U.S.D.A.). The U.S.D.A. has established guidelines for students that participate in either the lunch or the breakfast programs. For lunch, students are encouraged to take all food components (grain, meat/meat alternate, fruits, vegetables, and milk) of the meal that is offered, but under U.S.D.A. guidelines, are only required to take 3 out of the 5 food components, one being at least a 1/2 cup fruit or vegetables. For breakfast, students are required to take 3 out of 4 items offered comprised of 3 food components (grain with an option of meat/meat alternate allowed, fruits/vegetables, and milk). USDA/ODE Statement: This institution is an equal opportunity provider.

FREEDOM OF EXPRESSION (INS-A029)

Salem-Keizer Public Schools recognizes that every student has the right of free expression and encourages the exercise of this right. Students also have a responsibility to assist in maintaining orderly school operations.

School officials have a duty to prevent the distribution of libelous or obscene material or material that will clearly disrupt the educational process. Student publications will be free from discrimination, harassment, prejudice and racism. Therefore, publications and student speeches are subject to reasonable review and approval by the school

administration. Such review will be made without unnecessary delay. The school principal is the editor and publisher of all school publications.

GANG ORGANIZATIONS

A gang is defined as a group of three or more people whose members have a common name, symbol, or colors; and who engage in criminal behavior as one of their activities. Such organizations will not be tolerated in district schools.

Any student found using any manner or means in representing a gang, recruiting potential gang members, promoting gang membership or activities, violating the District's Code of Policy and Rules, or engaging in any criminal gang activity, will be subject to referral to law enforcement authorities and will be subject to disciplinary action up to and including expulsion.

This is not intended to discourage the formation of, or membership in, organizations and activities which are not criminal, antisocial, discriminatory or related to gang organization.

HAZING, HARASSMENT, INTIMIDATION, BULLYING, CYBERBULLYING AND MENACING; STUDENT (INS-A003)

Acts of hazing, harassment, sexual harassment, intimidation, bullying, cyberbullying and menacing will not be tolerated by student to student, staff to student, or student to staff. Harassment, intimidation, and bullying may be based on, but not limited to, the protected class status of a person. Protected class is defined in Administrative Policy INS-A003. Students are encouraged to report concerns by completing a confidential student report form (INS-F030) located in the school office, library, and counseling center. Parents, guardians, and community members may file a complaint by meeting with the school administrator or by the procedure for resolving formal complaints as outlined in the District's policy (ADM-A005) and procedure (ADM-P008). A person may make an anonymous report directly to the school principal. All reports will be investigated by the school administrator. A person may request a review of the actions taken by staff in responding and/or investigating a report by filing a written request with the Superintendent.

Students whose behavior is found to be in violation of this policy will be subject to disciplinary actions. Reprisal or retaliation against any person acting in good faith in a complaint process is a violation of district policy. A student found to have falsely accused another as a means of reprisal, retaliation, or a means of hazing, harassment, intimidation, bullying, cyberbullying or menacing, shall be subject to disciplinary actions.

HIGH SCHOOL ATHLETICS (INS-A014)

High school athletes are expected to observe all District Policies. Policies involving the use of tobacco products, alcohol and other drugs apply from the first day the athlete begins participating in a sport(s) and continues throughout the school year and all following years of athletic participation in Salem-Keizer schools. This policy is in effect 24 hours a day, through the end of each school year. Athletes who violate these policies will face the same consequences as students who do not participate in sports, in addition to being immediately suspended for a minimum of three weeks from sports competition, and will undergo a drug assessment upon first offense.

High school athletes are also required to maintain a minimum 2.0 grade point average on each progress report to be eligible to participate in all co-curricular athletic activities as written in Salem-Keizer School District Policy INS-A014, relating to Student Athlete Expectations: High School.

LOCKER & PERSONAL PROPERTY INSPECTION

Lockers and desks belong to the school district and are under control of the school administration with students permitted use of them as a convenience. The schools are concerned about the use of lockers for storage of illegal items and are also concerned that lockers are cared for properly. Based on the standard of reasonable suspicion, personal property may be inspected and lockers may be opened at the discretion of the building administrator in a prudent way, at appropriate times, and in a reasonable manner.

MOTOR VEHICLES

High school students may drive motorized vehicles to and from school. Certain school regulations, however, are necessary because of insufficient parking, concern for safety, protection of property, and interruption of the school program. Parking fees may be assessed by the district. No student vehicles will be permitted to leave the school grounds during the hours in which school is in session, including the lunch hour, without the permission of the building principal. Permission to drive a motorized vehicle to school may be revoked at any time for violation of any school regulation regarding vehicle use. No student attending a middle school shall be permitted to drive a motorized vehicle to school.

Parents are responsible to register motorized vehicles with the school office before their student can drive to school. Students who are 18 years old or emancipated must register their cars with the school. Those students shall abide by the rules and regulations governing the use of such vehicles during the time the student is under the direction of the school.

NON-DISCRIMINATION STATEMENT

It is the policy and priority of the Salem-Keizer School District that there will be no discrimination or harassment of individuals or groups based on race, color, religion, gender, sexual orientation, gender identity, gender expression, national origin, marital status, age, veterans' status, genetic information or disability in any of our educational programs, activities or employment.

Title IX is a federal civil rights law that was passed in 1972 to ensure that students and employees are treated equally and fairly in educational settings regardless of their gender. Consistent with Title IX, the Salem-Keizer School District prohibits discrimination on the basis of gender, including sexual and gender-based harassment and assault, in all education programs and activities. This includes academics, employment, athletics, and other extracurricular activities.

The Salem-Keizer School District is committed to ensuring that all complaints of discrimination, sexual harassment, and sexual violence are investigated thoroughly.

Complaints and questions about discrimination, including sex-based discrimination and Title IX, can be made directly to a **school administrator** or the Salem-Keizer School District's **Title IX Coordinator**:

SCHOOL ATTENDANCE (INS-A009)

Salem-Keizer Public Schools is committed to providing a quality education for all students. A strong correlation exists between the student's academic success in school and their daily attendance. A student is expected to be present in each of their classes during any grading period in order to meet the goals and objectives of the class.

In terms of attendance, a student is either present or absent. An excused absence is one which is approved by the principal or their designee in one of the following situations:

- Illness of the student;
- Serious illness in the family;
- Religious instruction (with limitations per ORS.339.420);
- Inclement weather;
- Medical appointment or court appointment;

- Students that are dependents of an Armed Forces Member of US on active duty.

An unexcused absence is one which is neither excused nor official, and may result in disciplinary action.

Absences must be excused by a student's parent or guardian. In order to maintain student safety, the district must communicate directly with parents or guardians when discussing a student's absence.

Each principal or their designee shall develop and implement an attendance policy and procedure that includes the expectation of student attendance and encourages such attendance. Each school will develop and implement a building tardy policy. The parent or guardian will be notified by the district if a student has missed school and the absence has not been cleared. Appeal of disciplinary action taken as a result of unexcused absences may be made through the district's complaint process.

Additionally, the school administrator or designee shall notify the parent or guardian of the student's nonattendance or irregular attendance. If the nonattendance (failure to attend school) or irregular attendance (eight unexcused one-half day absences, or the equivalent thereof, in any four-week period) problem persists, the school administrator or designee, shall provide written notice in person or by registered or certified mail to the parent or guardian that the student must appear at school on the next day following receipt of the notice and must maintain regular attendance for the remainder of the year.

If the above notice is not complied with, the principal or designee, under the provisions of ORS 339.925, shall provide notice in writing (written

in the native language of the parent) to the parent or guardian that: The parent or guardian and the child must attend a conference with a designated school administrator to discuss the situation; the parent or guardian must enroll their child and ensure the student attends a full-time school on a regular basis; failures to enroll, send, and maintain the child in regular attendance is a Class C violation.

If the truancy of an older student is deemed to be beyond control of the parent or person in parental relationship, the matter will be referred to juvenile authorities.

SEARCH AND SEIZURE (INS-A015)

School officials have the authority to conduct searches of district property and the personal property of students based upon reasonable suspicion, and to seize unauthorized, illegal or unsafe materials, and/or identify unsafe conditions as a proactive response to keeping schools safe. Whenever possible, searches will be done with the consent of the student and in their presence.

If unauthorized, illegal or unsafe materials are discovered during any type of search, school officials will exercise one or all of the following options: Seizure of contraband; report to the proper authorities; initiate the district discipline policy and procedure. In the case where students are attending student activities that are considered a privilege such as school dances, whether on or off campus; the school may test students and guests for alcohol prior to allowing their admission.

On an annual basis, parents, students, staff and community will be informed that the district may conduct canine searches of school property and if school officials have reasonable suspicion to believe that contraband is present in a school, an unscheduled canine search may occur.

SPECIAL EDUCATION CHILD FIND

All students, birth to 21 years of age may be eligible for specially designed special education services. Students qualify under guidelines established by federal law and directed in each state by the Department of Education.

School districts must identify, locate and evaluate all resident children with disabilities, regardless of the severity of the disability, who are in need of early intervention, early childhood special education or special education services.

When a student is referred for special education, an evaluation may be recommended. All referrals start at the neighborhood school. Trained staff will complete observations, conduct diagnostic evaluations and gather information from a variety of sources. All initial evaluations are made with the signed permission and knowledge of the parent and/or guardian. Parent/guardian input is considered at all stages of the evaluation, eligibility and placement.

STUDENT INTERVIEW BY POLICE OFFICERS (INS-A033)

Law enforcement officers may interview students at the school site. School authorities may attempt to notify the parents or guardians of such action only with the consent of the investigating officers.

STUDENT FEES AND CHARGES (INS-A012)

Students and their parents/guardians shall be held financially responsible for any materials lost or willfully damaged. The district shall pursue the collection of debts to the full extent allowed by Oregon State statute.

Nonpayment of fees, fines, and/or restitution for damaged/lost property may result in: Loss of privileges related to the student's participation and/or attendance at school events and/or non-academic activities including but not limited to ceremonies and/or activities related to graduation, athletic events, and school sponsored dances or parties (including prom).

The district may take legal action, including referral of an outstanding amount to collections or by filing a civil complaint in Circuit Court after giving the notice required in ORS 339.270.

TRUANCY AND DAYTIME CURFEW

Salem has a daytime curfew ordinance and Keizer has a truancy ordinance which prohibit minors (between 5 and 18 years old) from being in public places during regular school hours to decrease truancy and/or the crime rate.

If irregular attendance occurs, the district shall investigate, send notification of the irregular attendance to the parent or other person in parental relationship, and determine what corrective measures should be taken. The district may proceed with legal action in accordance with state law, including referral to law enforcement for the issuance of a citation for up to \$500.

ADDENDUM

REFLECTING COMPREHENSIVE DISTANCE LEARNING

Due to the nature of Comprehensive Distance Learning (CDL), there is less opportunity for the poor behavior choices that in-person learning affords. Students are expected to engage in synchronous learning (Class days) and asynchronous learning (Applied learning days), and give full effort to be successful. Teachers and other staff are prepared and available, and systems are in place to support students achieving that success. School staff view parents/guardians as partners to build academic success for their students.

If behavior missteps happen in virtual learning, students can expect staff to respond with redirection and reminders of the expectations. Students and parents/guardians can expect communication from the teacher to follow up on such issues. If the student is repeatedly and actively disrupting other students' learning, the teacher may not allow the student microphone access. Additionally, teachers may bring in a

behavior specialist or administrator to help problem-solve and find solutions to change repeated behavior.

If a student's repeated behavior does not change, the behavior specialist or administrator may authorize a brief interruption to the student's ability to participate in synchronous learning. Every effort will be made to keep the student engaged in learning in a way that does not disrupt the learning of others.

Student safety is of utmost importance. As such, if there is any unsafe behavior or language in a digital environment, the staff member will immediately end the session and inform the appropriate supervisors/authorities.
