

If passed by voters on May 15, 2018 the proposed \$619.7 million bond would increase the current property tax levy rate by an estimated \$1.24 per \$1,000 of assessed property value. If the bond does not pass, the additional tax would not be levied and the listed projects would not be completed. The Community Facilities Task Force reviewed all funding methods available to the district and recommended the School Board place a general obligation bond on the ballot for voters to consider. The district would receive an \$8,000,000 grant from the state if bonds are passed.

## Yoshikai Elementary School

Yoshikai Elementary School is a single-story facility constructed in 1994. Four (4) portable classrooms were added to address previous enrollment growth. The identified projects would add ten (10) new classrooms as well as slightly expand or improve the library, providing classroom/core capacity in the main building to meet projected student enrollment through 2025. Building improvement projects would include HVAC upgrades and gymnasium improvements. Technology and communications improvements would provide expanded wireless capacity and intercom system upgrades. Bond funds would also be used to provide improved supervision of the main entry.

If the bond passes:

### Timeframe

2021 (construction start date)

### Additional/Expanded Space

- Ten (10) new classrooms
- Library media center expansion or improvements
- Removal of portable classrooms

### Improvements

- HVAC
- Intercom system upgrades
- Security improvements to increase visibility of main entry from office
- Expanded wireless capacity
- Gymnasium

### Enrollment Projections 2016-2035\*
