Selected Course Requests

Note: You must fill in 16 lines (8 periods x 2 semesters =16)

Selecting your Courses

4. Enter the Course ID Number from the Forecasting Sheet. Click the Enter Button and the course will appear. Click on the Add Request Button to move it to your Selected Course Requests.

Search Course						
Action	Ln	Course ID	Course Title	Credit	Comment	
		Q az211	Q			
▶		1 AZ211SX	BASIC ART DESIGN	0.500	Currently enrolled	

5. Continue to add the courses until you have selected 16 courses. Please remember year long classes should be listed twice, 1st semester and 2nd semester of the course. (Note: To see the 16 courses you selected you will need to click on the number 30 at the bottom of your Selected Course Requests)
6. Enter your 3 Alternate Courses by clicking on **ADD ALTERNATE** button.
7. When completed click on the button that says click here to return to **Course Request Summary**
